

## What People Say About Unlimited Breath....

"I had been diagnosed with atrial fibrillation, a chronic heart problem. After working with Unlimited Breath I have had no symptoms for over one year and I have never felt better! I highly recommend this program to anyone with a health problem".

Ron

"As a result of participating in the Unlimited Breath workshop series, I have reconnected with my heart's passion. I left a successful career in advertising and am now self-employed living my dream with more success than I ever thought possible!"

Melissa

"When I was widowed after 34 years of marriage, I believed life wasn't going to be any fun. After participating in the Unlimited Breath workshop series I am taking more risks and I am more adventurous than ever, enjoying life to the fullest!"

Pat

"Before I was involved with Unlimited Breath my relationship of three years was ending. Now, I have more intimacy in my relationship than I've ever experienced, we bought a house and are parenting our first child together."

Dale

"I grew up in a family that always struggled with money. When I became an adult, supporting myself, I too was always struggling and worrying about money. After working with Unlimited Breath, I have more financial abundance than ever!"

-Kristina Weber

## How can more breathing free you to feel better?

If you would like to create easy and gentle changes in your life, *Unlimited Breath* is for you! You can have the wealth you deserve, the relationship of your dreams, the career you desire, and live a healthy life. **Take charge today!**

*Unlimited Breath* is a profound breathing technique that has been perfected over several decades and has helped thousands of people improve the quality of their lives.

Over 70% of the body's toxins are released through the breath; cleansing body, mind and spirit. By using this powerful healing method you can change your life. **It is truly that simple!**

## Why would you want to improve your life?

You know you are capable of doing, having, and being more. This is why you are reading this flier and are attracted to this workshop.

"So how can you?" By utilizing this powerful breathing technique, you become aware of self-defeating thoughts and trapped emotions stored in your body and hidden in your subconscious mind.

These limiting beliefs and repressed emotions are actually the cause for your failure to achieve the results you deserve. Through *Unlimited Breath* you can easily and efficiently discover and release these limitations. With your newly reclaimed power you become the conscious creator of your destiny!

## The Teacher...

The greatest accomplishment of Swedish born Arne Rantzén is the founding of *Unlimited Network* in 1997, a new model for healing and learning.

Arne has dedicated his life to healing. He began with Western medicine, gaining extensive experience by working as a practical nurse for 12 years. His search for further knowledge and experiences led Arne to being a Tibetan Buddhist monk for 5 years and the study with some of the most prominent leaders and healers in the Contemporary Healing Arts.

Arne mastered Craniosacral Therapy, Aston Patterning and Reiki. He became a teacher of Reflexology, Rebirthing, the International Seminar Leadership Program directed by Bob and Mallie Mandel, Body Harmony trained by Dr. Don McFarland, and the Loving Relationships Training under the guidance of Sondra Ray. He also continues a 15 year study of A Course in Miracles.

Arne's seminars have helped thousands of people gain new insights and recreate their lives.
